Northern Meadows  
Has To Offer!**

**January 2004**

## **BACK NINE CONSTRUCTION**

Our existing 3360-yard par-36 front nine has a rating/slope of 73/126. The back nine construction will provide the golf enthusiast with an 18-hole, 6920 yard, par-72 championship golf course. Construction to date has cleared the trees from holes 10, 17, and 18. Anyone interested in picking rocks?

## **LONG DRIVE EVENT**

To date we have been told this will air the half hour before the PGA Tournament in the spring. Watch our web site, [www.northernmeadows.com](http://www.northernmeadows.com), and ICEMAN at [www.iceman.ca](http://www.iceman.ca) for times.

## **PHASE II LOTS ARE NOW FOR SALE**

Phase I lots are all sold and we have seven cabins built to date. Phase II lots are fully serviced and offer an unspoiled view of the lake in a private setting. Lots start at \$22,000.00.

## **WINTER ACTIVITIES**

This winter has seen a little more snow than in past winters but it is still not the winter paradise we are used to. The lake has been kept clear for skating and we have a few cabins owners who are using it. We have built a snow drag race track on the ice and we are working with Dean at Dack's Pub to arrange a snow drag competition for February 21-22 weekend. Watch for more on this.
