**MORE THAN
JUST
GREAT GOLF!**

December 2005

Back Nine Construction

We made great progress on the back nine in 2005! All going well in the spring we will open in the fall as originally planned. The greens have the weeping tile installed, green mix blended and spread, sand trap sand is cleaned and ready to go to the bunkers, and the fairways have the irrigation installed and tested, as well as the topsoil replaced. Our goal is to have the seed in and water flying by June 1, 2006.

Spring 2004 Construction

Fall 2005 Hole #10, Ready for seed

Golf Passes are an economical way to golf at Northern Meadows. Golf Passes do not expire, and may be used by anyone. Use them for yourself or to treat your friends and family to a round. They also make great gifts!

Remember to sign your golf pass and enter it into our weekly prize draw!
Call 306-238-4653 to order your passes today.

Transferable Lifetime Memberships

Looking for even better value on green fees as well as booking privileges?
We have a limited number of the Transferable Lifetime Memberships remaining.
Contact Ken at 306-238-7747 for more information

Property Sales

We have mentioned for the past few newsletters that Phase I and Phase II are sold out. These developments are coming along nicely with 8 of the 10 in Phase I completed and 2 of the 9 in Phase II started. We now have 3 full time residents living on the golf course. Phase III is coming along with 13 lots sold to date. Phase III has 74 lots in total available with 53 of these lots scheduled to have the services installed in 2006.

**Information packages on the lot sales are available by calling
the course at 306-238-4653 or Ken at 306-238-7747**

Snowmobilers Did you know that trail fees are now part of your yearly registration fee? Make sure you register your machine today! See www.sasksnowmobiling.sk.ca for full info.

Camp Grounds

You may have noticed the earthwork happening to the East of our entrance. This is going to be 20 fully serviced drive-through RV campsites.

Our goal is to work on these in 2006 and have these ready in 2006 or for the 2007 season.

Fully serviced includes power, water, and sewer hook ups.

Winter Activities

The Bed & Breakfast is open by reservation throughout the winter months and the Dining Room is available by reservation as well. January and February will see ice fishermen, work crews, and family gatherings around the clubhouse. We understand the Goodsoil Snowmobile club is also looking at snow races on Bousquet Lake again in February; keep an eye open for these dates.

A Bed & Breakfast package makes a great gift!

Web Site Visit our site often at www.northernmeadows.com

Northern Meadows is always updating our web site. Watch the events page for upcoming tournaments and fun outings such as Men's and Ladies, nights.

Thank You!

We thank all our employees for a great 2005! We hope to see you all back in 2006 and tell your friends to send in an application as well.

A very special thank you to Jim Krushelnitsky, our marshall, who also arranged the men's and ladies nights, junior nights, tournaments, etc. Thank you Jim for a job well done!

We cannot forget the members and friends of the course who volunteered their time to come out and help us install the irrigation system and the weeping tile on the greens. Their time is greatly appreciated!

Also thank you to all our sponsor's and business's who generously donate prizes and merchandise over the year. The golfers greatly appreciate your support too!
