March 2005

Welcoming the 2005 Season

This winter provided us with a good snow cover; however, I'm sure we are all anxious to get the clubs out and get our game warmed up. Weather permitting; we will be open in time for the "Free Weekend For Junior Golfers" on April 30 – May 1. The spring trade-show season had us talking with lots of old friends and new acquaintances that are excited to visit us again. Call 306-238-4653 to get actual course condition.

Opening of the TransCanada Snowmobile Trail

Deck Season is Just Around the Corner

Transferable Lifetime Memberships

Transferable Lifetime Members, remember annual fees are due by May 20, 2005. Cost is 10 x \$28.00 = \$280.00.

Looking for even better value on green fees as well as booking privileges? Call soon as we have only eight of the Transferable Lifetime Memberships remaining.

Contact Ken at 306-238-7747 for more information

Golf Passes

Golf Passes are an economical way to golf at Northern Meadows. The price for 2005 remains unchanged from last year. Golf Passes do not expire, and may be used by anyone. Use them for yourself or to treat your friends and family to a round. They also make great gifts!

Remember to sign your golf pass and enter it into our weekly prize draw!

Golf Passes are available from the clubhouse and also from Jim Krushelnitsky in Pierceland.

Lot Sales

Phase II lots on Bousquet Lake are SOLD OUT!
Keep an eye out for the Phase III lot development.

Tournaments

Good tournament dates are still available. Call the course to book your event today!

Back Nine Construction

Construction on the back nine will commence as soon as things start drying up. The ponds and water hazards are full thanks to the good snow cover. We will be looking for part time workers over the summer to assist in tasks such as rock picking. Interested parties should contact Joe at the course. All going well we will be on target to seed next spring.
