**MORE THAN
JUST
GREAT GOLF!**

November 2004

Back-Nine Construction Update

While you were visiting Northern Meadows this summer you probably heard the sound of the heavy machinery hard at work. Northern Meadows has moved one step closer to becoming an 18-hole golf course. Despite the wet weather this summer, the heavy earthwork remained on schedule. Anyone who has had time to tour the site can easily recognize the tees, fairways, and greens that have been shaped.

The winter of 2004 will see further development and planning.

Cutting Out the Water Hazard on #16.....

.....Then, Shaping #16 Green

Transferable Lifetime Memberships

Northern Meadows has a few of the Transferable Lifetime Memberships remaining. These are available to the first paid applicants. Booking privileges apply. Persons purchasing these before January 15, 2005 will receive a new 8-piece set of custom made irons. Only a limited number of these memberships remain, so call soon to reserve yours. Contact Ken at 306-931-8538 for more information.

Winter activities

The Goodsoil Curling Club welcomes beginners and returning curlers alike to the 2004 Season. Now is the time to register for curling leagues. The curling club needs to hear from you very soon in order to schedule ice times. Call Ron 238-2143, Don 238-4789, or Joe 238-2112. Be sure to get your name in the draw for the 27" flat screen TV!

Northern Meadows will offer public skating on the lake, as well as groomed cross-country ski trails throughout the course. Fire pit and wood provided, everyone is welcome to use our ski trails.

Northern Meadows is hoping to work with the local snowmobile club to host snowmobile drag races again this year. Look for an announcement on our website, or future newsletters.

Lot Sales

Phase II lots adjacent to Bousquet Lake have been selling over the summer. We have three lots sold and interest is high on the remainder. These fully serviced lots include power, water, gas, and telephone to the curb. Northern Meadows is working with Musgrave Agencies out of Lloydminster who has recently listed the development on MLS.

Phase III lots will be surveyed over the winter and spring. There will be numerous properties to choose from, all overlooking a portion of the golf course. Anyone visiting the course over the summer had an opportunity to view our preliminary plan. These fully serviced lots include power, water, gas, and telephone to the curb. Interested parties should contact Ken at 306-931-8538.

Christmas Parties

Let us take the stress out of your busy Christmas Season—book your party or function at Northern Meadows. We have many menu options available.

Do you have company coming this winter? Let us host your in-laws this Christmas! If you need accommodations for your family members and friends coming to visit this winter, remember we have five rooms in our Bed & Breakfast. Good dates are still available, contact Mary Jean at 306-238-4653 or Louise at 306-931-8538 for bookings or inquiries.

Need Gift Ideas?

Looking for that perfect gift for the golfer who has everything? What about some golf passes, (great stocking stuffers) or maybe a new driver, wedge, or set of irons? Surprise them with new grips, or the putter that is bound to drop those long putts. Of course you can always play it safe with a gift certificate, and let them choose. There isn't a better time for great deals on golf equipment. We are offering the lowest prices possible, as we need to make room for next-seasons stock. Call Waren at 238-2161.

Thank You Staff!

NMGC would like to thank the Greens-crew for their hard work during this demanding summer. Once again we enjoyed superb playing conditions. Thank you for all the early mornings, and long days.

Greens Staff: Jonathan Piecharka, Brenden Schikosky, Vanessa Olan, Jessica Olan, Shirlene Gietz, Rodger Lizee, and Tony Sopracolle.

Thanks also to our multi-talented inside crew:

Angel Lange, Anne-Marie Sopracolle, Christina Hinger, Jodi Sopracolle, Sarah Olan, Dustin Spence, and Karissa Piecharka.

Of course what would NMGC be without the help of our dedicated Player Assistant, Jim Krushelnitsky? Jim was always available to keep the regular players like Arnie Foss, Jack Purves, and Ron Moormann honest.

Web Site

Northern Meadows is working to improve our web site. We will be adding a section on the back nine development, the summer of 2004, and links to Saskatchewan and Goodsoil's Centennial celebrations.

Visit our site often over the winter at www.northernmeadows.com.

A special thanks to all our visitors in 2004! We look forward to seeing you over the winter and especially during the summer of 2005.

The best of the Holiday Season to all from Frank & Phil Sopracolle, Joseph & Mary Jean Sopracolle & Family, Waren, Shirlene, & Tucker Gietz, and Ken & Louise Olan & Family.
